CALL FOR ABSTRACTS

Share your work, network with colleagues, and add innovations to your practice! The CSU Shiley Institute for Palliative Care is pleased to announce its call for abstracts for the 2020 National Symposium for Academic Palliative Care Education and Research, where palliative care professionals, faculty, and students from across the country will be convening to hear from national experts; present their research, pedagogical, and/or clinical advances; and network with colleagues.

The Symposium will be held at the Sheraton San Diego Hotel & Marina in sunny San Diego, October 8 – 9, 2020.

The theme for the 2020 Symposium is Palliative Care: Inclusive, Integrative, & Interprofessional. Abstracts for an individual paper, panel session, workshop or poster related to the Symposium theme are invited. Submitters for this year are particularly encouraged to share their scholarship, research, or practice innovations that demonstrate inclusivity, take action to address barriers to palliative care access for people, promote cultural understanding, or advance teamwork among the professions in palliative care.

College and university faculty, healthcare practitioners, post-doctoral fellows, students, and anyone engaged in designing and delivering curriculum, performing research, or providing instruction and oversight of professionals in training are encouraged to submit an abstract to present at this multidisciplinary conference, which brings together educators, researchers, and practitioners from across the US.

Examples of topics:
• Advancement of interdisciplinary/interprofessional pedagogical or clinical experiences
• Promoting inclusivity, including increasing access to palliative care by diverse populations addressing social determinants of health
• Meeting the needs of unique populations across the lifespan: underserved groups, veterans, homeless people, immigrants, refugees, and others
• Practice across settings
• Use of integrative care or approaches
• Telehealth
• Ethical challenges
• Pediatric palliative care
• Narrative pedagogy, practice, or research
• Engaging stakeholders
• Student research

Abstract submission is open February 3 through midnight March 29, 2020.

ABSTRACT DETAILS

To complete your abstract submission, you will include:
• Your contact information, credentials, title, and bio
• Proposal Title: clear and concise, informative, reflective of the content, maximum 10 words
• Presentation type
  ◦ Individual Paper (Podium)
  ◦ Panel Session
  ◦ Workshop
  ◦ Poster
• Abstract summary, maximum 400 words
• A 100-word summary of the presentation for publishing in the program
• Two or more learning objectives with an action verb following the phrase: "At the conclusion of this session or poster review, the participants will be able to…. “ maximum 20 words
• Details of presentation
  ◦ Workshops
    □ Describe workshop
    □ List teaching or interactive method to be used
  ◦ Individual Paper (Podium)
    □ Describe research, creative activity, or scholarship
    □ List potential recommendations or application
  ◦ Poster
    □ Describe research, creative activity, or scholarship
    □ List potential recommendations or application
    □ Include research background, study aims, methods, results, conclusion
  ◦ Panel sessions (2 or more presenters)
    □ Describe the theme
    □ Describe each section of the panel
    □ List panel organizer and panel members
• For all podium, panel or poster on research findings include:
  ◦ Background
  ◦ Study aims
  ◦ Study methods (design, sample, measures)
  ◦ Results
  ◦ Conclusions
• Primary focus of presentation
  ◦ Teaching
  ◦ Research
  ◦ Practice
• List of co-presenters or additional authors
• Completed Disclosure of Financial Interests form
• Approval of terms and conditions
