Courses Available to Qualified Medi-Cal Providers

Qualified Medi-Cal providers and their clinician staff can apply for palliative care training classes, available for a limited time at **no charge** through an agreement with the California Department of Health Care Services (DHCS). Effective January 1, 2018, DHCS will implement the Medi-Cal palliative care program through managed care and fee-for-service providers.

Below is the list of palliative care courses covered by DHCS. This list will be updated periodically as new courses roll out. See the website for details and application instructions by clicking here or type into your browser https://csupalliativecare.org/education/sb1004/.

Most courses provide a variety of Continuing Education Hours for a variety of disciplines. Each course title below is a link to the detail page on the website.

Please note, the courses that qualify for this free program all focus on palliative care.
