NATIONAL SYMPOSIUM 2018
for Academic Palliative Care Education and Research

JOIN YOUR COLLEAGUES – WHERE IT'S ALWAYS SUNNY

The **2018 National Symposium for Academic Palliative Care Education and Research** is the premier event that gathers academicians, clinicians and students from across the country and world, to advance palliative care. A truly multi-disciplinary event, professions represented include nursing, social work, psychology, speech language pathology, medicine, ethics, chaplaincy, and more. Share your research, find new pedagogical, and/or clinical advances, and network with colleagues.

This year's theme is ***Quality in Palliative Care: Fusing Education, Research and Practice.***
